Colleen Summers

Towson, MD tstudent@towson.edu 443-555-0000

SKILLS

<u>Molecular Biology</u>Polymerase Chain Reacti(PCR amplification and gene cloning, sittirected mutagenesis, liquid and agar media preparation, agarose electrophoresis, Coomassie staining of protein gels, protein overexpression and purification, immunoblotting, yeast thydrid screening, immunoprecipitian; <u>Biochemistry</u>High Performance Liquid ChromatographiPLC, spectrophotometry (UV/Vis), chromatogram analysis, SDBAGE, ultracentrifuge; Softwaredobe Photoshop and Illustrator; Microsoft Word, Excel and PowerPoint<u>Language</u>sfluent in Hebrew; poficient in Spanish, conversational in Italian

EDUCATION

Bachelor of Science in Mo	XX	May		
Towson University, Tows	on, MD			-
Honor's College	GPA 3.77	Dean's List each semeste	r	
 Honors College, Prov 	ost, Senatorial and ⁻	Top Ten Percent scholarships		
Honors CollegeAfter g	raduation, change to	o "University Honors Scholar")		
RESEARCH EXPERIENCE				
Research Intern, IW/niver	sity, Department of I	Molecular Biology and Genetics ((MBG)	
ResearclExperience for U	Jun–Aug 20XX			
 Studied [detailed desc 	cription of subject]			
 Presented "Title bRes 	earch Presentation"	at summer symposium to peers	and faculty	
Research Intern, Ivy University, MBG REU, Laboratory of Dr. Micro Bio			Jun–Aug 20XX	
 Conducted research d 	on [description]		-	
 Presented "Title of Presented "Ti	esentationtö conclud	e the summer program		
Volunteer Undergraduate Researcher at Johns Hopkins University Jan 20XX-				
 Researched in Dr. Pro 				
	Ũ	d biochemistry techniques
